

**Do you want to study Russian?
Or would you like to continue learning it?
Don't hesitate and contact us!**

The Center of International Education at Pyatigorsk State Linguistic University, Pyatigorsk, Russia provides Russian courses at elementary, basic and advanced levels for international students and trainees currently from 26 countries. Groups are compiled based on students' Russian language proficiency level, and sized 8 students in average.

We offer:

- short-term and long-term group programs of one month up to one year duration;
- individual classes with tailor-cut program based on your personal needs and shaped to mostly match them;
- intensive Russian course of 2 weeks (42 academic hours) developed as individual program in accordance with your Russian language proficiency level and based on preliminary test results;
- preparatory courses for foreign citizens to undergo the national Test of Russian Language (TORFL) with formal National Certificate of language proficiency granted;
- Russian language Summer School sessions (from 2 weeks to 3 months).

The extra Russian Literature and History courses optionally taught in Russian/English are available upon request.

The highly qualified tutors experted in teaching Russian as Foreign Language are employed at our Center of International Education, and individual approach is guaranteed for all our students.

All teaching materials and books as well as the corresponding Certificate upon completion of studies are provided.
